Deliver high-impact events in person and virtually

Whether you choose a virtual event, or a hybrid event that blends an online and in-person experience, Notified can help. With our industry-leading technology, experienced teams, and hands-on support, we have everything you need to deliver a flawless experience for your stakeholders.

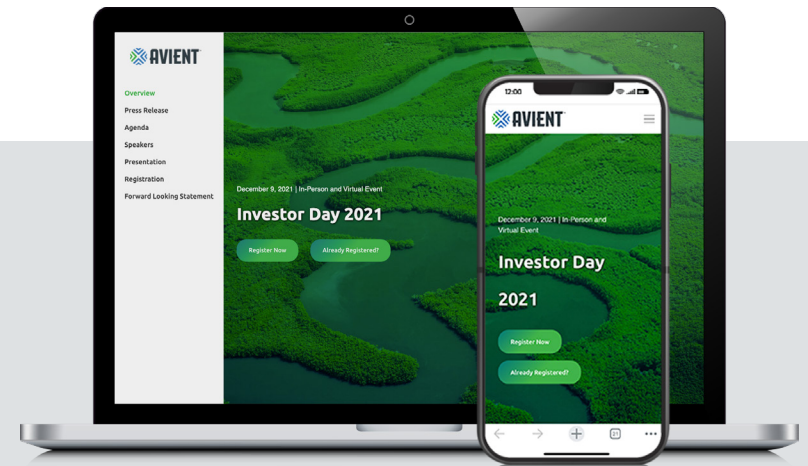

## Our Investor Day package includes:

### LIVE WEBCAST

- Up to 3 hours in length
- Live video with multi-source switching and display
- Slides with animation
- Q&A and chat widgets
- Advanced webcast features

### HOSTED MICROSITE

- Event overview
- Agenda
- Presenter bios
- Embedded registration form
- Related presentations & content
- FAQs

## On-Site Professional Services

If your investor day features an in-person element, consider the addition of an on-site AV team. For an incremental fee, we'll provide an experienced team to help you execute the technical and broadcast logistics for your event. All members of our on-site teams comply with necessary health and safety protocols.

### PRE-EVENT

Your dedicated project manager will build your event microsite with the content you provide, customizing it to your brand.

### EVENT DAY

Our team will work closely with you to deliver your live webcast, manage logistics, and update your microsite.

### POST-EVENT

Your microsite will be automatically updated with the archived webcast. Our detailed analytics let you analyze and evaluate event attendance.
