GlobeNewswire

Share your news with media, investors and consumers around the world. Built for PR, IR, marketing and agency professionals, GlobeNewswire gives you a wide range of options to help you build brand awareness, reach new audiences and drive earned media.

The GlobeNewswire distribution network offers options that will garner placements of your press release on general, financial, and trade websites in up to 92 countries and 35 local languages, with more than 1,000 newlines available by geography, industry, and media type across the U.S., Canada, Latin America, Africa, Middle East, Europe, and Asia.*

**Generate Media Coverage With Press Releases**

Put your news and announcements in front of relevant media using one of the world’s largest distribution networks. Thousands of companies use GlobeNewswire to deliver their news to targeted audiences.

GlobeNewswire’s comprehensive distribution networks reach news agencies and sites such as news agencies, business journals, content aggregators, financial databases, trade publications, online media and TV/radio stations.

**Deliver Material News and Regulatory Filings**

GlobeNewswire offers comprehensive regulatory filing services in North America and Europe. Within the U.S. (EDGAR) and Canada (SEDAR), GlobeNewswire can prepare and submit any regulatory filing form type, including XBRL tagging. Our European Regulatory News service (“ERN”) helps companies meet the regulatory obligations of the EU Transparency Directive in 16 counties across Europe.

Meet Disclosure Requirements
Our one-stop solution is designed to meet your regulatory disclosure requirements by adding EDGAR and/or SEDAR to your PR Distribution with a click of a button. Since we file your press release with EDGAR and SEDAR, you do not have to worry about different press release versions, and our platform allows you to schedule your filings concurrently with the press release.

Boost Brand Awareness and Discoverability
Well-written, optimized press releases can help drive online discoverability and search results for your brand. Use GlobeNewswire to provide Google and other search engines with content from an authoritative source.

Optimize Your News With Multimedia

Enhance your news with Media Snippets and embed a carousel of images, infographics, audio, video — even live streaming events — to tell a better brand story. With distribution to AP Photo Express, CP Photo Network, Newscom Archive and Yahoo! Photo, GlobeNewswire makes it easy to manage assets for use in highly customized email and wire distributions.

Measure the Impact of Your Releases

Newswire Analytics reports provide comprehensive metrics on reach, access, social engagement and visibility. Our post-distribution dashboards tell you where your release went, who saw it, and what action they took after reading it details that can help you understand the impact of your news and fine-tune future communications.

We use advanced digital fingerprinting technology to identify each reader of a press release. By combining several unique, yet anonymous identifiers, we can accurately identify real human traffic and prevent tracking the same person from viewing. These are Unique Readers, while the remaining views that did not pass our human evaluation are shown as Total Views.
