

Investor Relations Solutions

Manage all your IR communications through one partner, seamlessly. We support news distribution, regulatory filings, earnings calls and webcasts, investor days, IR websites, ESG communications and more.

Helping To Achieve Your IR Goals:

- Meet regulatory disclosure requirements.
- Attract new shareholders and engage investors around the world.
- Reduce costs and make it easier for your IR team to do more with less.
- Improve your communications with an integrated solution for: IR webcasts, websites, press releases and more.

Why Notified? We Provide:

- Improved workflow with integrated conferencing and automated press release distribution to your website, regulators and the wire.
- Vendor consolidation, removing confusion and the potential for errors while lowering risk.
- High-touch service and 24/7/365 support.
- Security, stability and compliance with solutions built for investor relations.
- Actionable analytics across your IR website, webcasts, press releases and more.

Maximize shareholder value and clearly communicate your investment proposition and business strategy.

Earnings Calls & Investor Days

Deliver your earnings, investor days and company events as engaging online or hybrid experiences with our IR Event Platform.

Whistleblower Hotline

Protect your company and employees through a SOX-compliant corporate reporting system.

IR Websites

Let us help you drive stakeholder engagement, increase shareholder confidence and showcase your brand.

ESG Communications

Integrate communications across your IR website, news distribution, and events to promote ESG and sustainability initiatives.

Earnings & Regulatory Filings

Meet compliance requirements and boost visibility with news distribution to media, regulators, investors and analysts.

IR Communications Portal

Manage your earnings calls, investor days, press releases and filings, and your IR website within an integrated platform.
