| About Notified

Notified is the world's only communications cloud for events, public relations, and investor relations to drive meaningful insights and outcomes.

Notified Experiences help event planners, marketers, and communications professionals acquire and retain customers through conferences, trade shows, town halls, and product launches. Connect global audiences with our highly interactive platform and leverage integrated analytics to maximize ROI.

Notified Public Relations helps you optimize brand value, increase earned media, and drive meaningful business impact. Reach global audiences, monitor brand sentiment, send GlobeNewswire press releases, and measure success.

Notified Investor Relations lets you manage stakeholder communications and regulatory requirements to maximize shareholder value. Tell your investment story with high-impact, multichannel solutions – earnings announcements, press releases, webcasting, virtual events, and IR websites.
